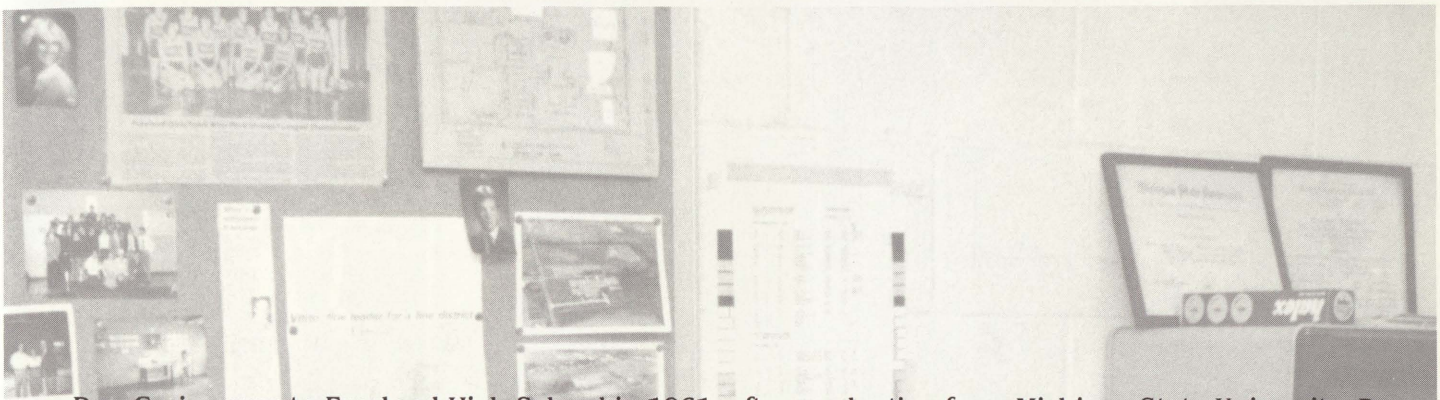
Being editor has been a great experience. I have learned how to get along with people even if you don't like them, thanks to Mrs. Richardson. It has taught me responsibility and Leadership.

I would like to thank everyone who helped with the making of this year's yearbook, especially our adviser Mrs. Richardson. I would also like to give a special thanks to my staff for all of their hard work. This has been one of the best years that I have had being on yearbook. We hope you appreciate the hard work and dedication put into this year's yearbook. I hope this book will bring back good memories.

Sincerely,
Mindy Graham

Freeland Says Thank You To A Dedicated Athletic Director



Dan Craig came to Freeland High School in 1961, after graduating from Michigan State University. Dan and his wife, Beverly, have raised five children, all of whom have graduated from Freeland High School. In the early 1960's Dan coached Boy's Varsity Basketball and took one of his teams to the State quarter finals. Dan presently coaches Cross-Country and Track. He has coached State Champions in both sports.

In 1982 Dan became Freeland's Athletic Director while continuing to coach and teach. Since becoming Athletic Director Dan has overseen the development of athletic facilities that most schools only dream of having. Many of the ball fields were in very poor repair. The Softball and Baseball diamonds were rutted and dangerous. The Football field had the tendency to become a foul smelling pond after every rainfall. Concerned parents met with Dan Craig and sought assistance in the formulation of a plan to improve the situation. The parents formed a group, which came to be known as the Athletic Association, and worked with the A.D. to build one of the finest class 'C' sports complexes in the State.

Another of Dan's strength is record keeping. He has worked to gather as much information on the history of sports in Freeland. He has also worked to showcase our students' athletic accomplishments with displays in the gym and in the gym hallway. Because of his belief in the importance of quality equipment for student safety, Dan has worked on a variety of fund raising projects in order to supplement the equipment budget. He has also taken the time to personally oversee the collection and storage of equipment. His system of inventorying has kept the loss of equipment from being a significant concern in Freeland. Dan's vending machine profits have also permitted the purchase of a number of equipment items that other schools are unable to purchase. Dan Craig believes that, as Athletic Director, it was his responsibility to attend as many Freeland sporting events as he possibly could. He could be seen on the sidelines most evenings of the week during the busy times of the year. In recognition of his outstanding work and dedication Dan Craig was named the 1992 regional Athletic Director of the Year.

In June Dan Craig will be leaving his Athletic Director's position. He has expressed his desire to continue coaching and teaching for a few more years. He has also stated his intention to assist during the transition period so that there will be no disruption to the quality programs currently in place. We hope that Dan Craig is aware of just how much we appreciate the hard work he has done as Athletic Director. He has made a contribution that will benefit students even after his retirement. Until that day comes it is certain that Mr. Dan Craig will be creating warm memories of his days working with Freeland's fine students and athletes.

Dan Craig

The 1993/1994 Positive Peer Group was busy again in its efforts to promote healthy life choices. Each member of the group signed a pledge of abstinence from alcohol and other drug use. After receiving some training in peer resistance skills Positive Peer members volunteered to assist in community service projects. This year the group particularly enjoyed working with the sixth graders and assisting with the Food Drive. Other activities included; making a video for the elementary school, assisting with the Optimist Club Halloween Party, attending the Regional Teen Institute and other prevention related activities.

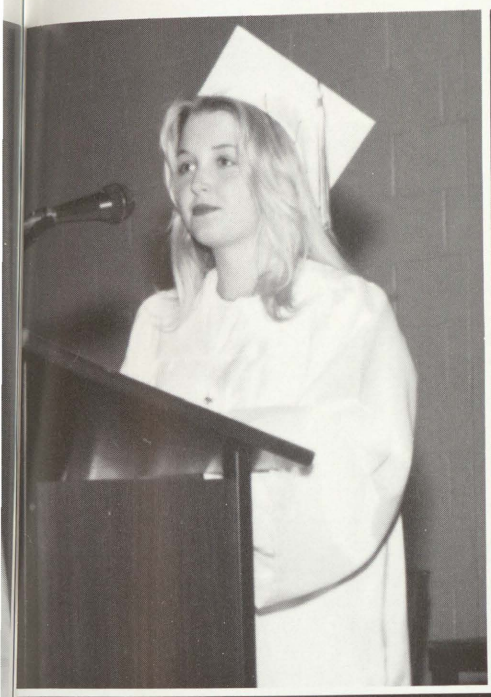
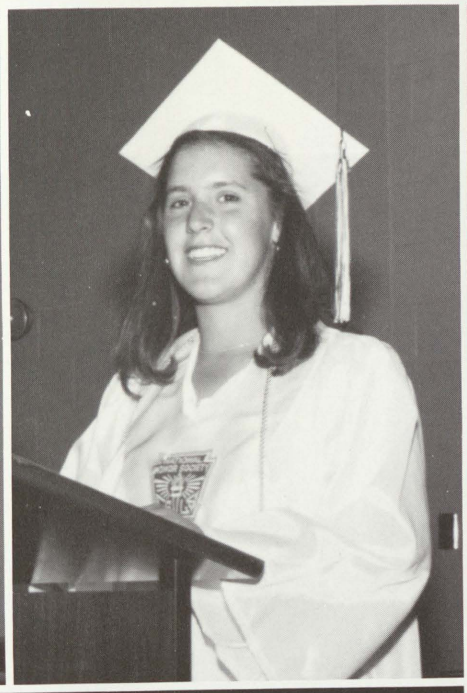
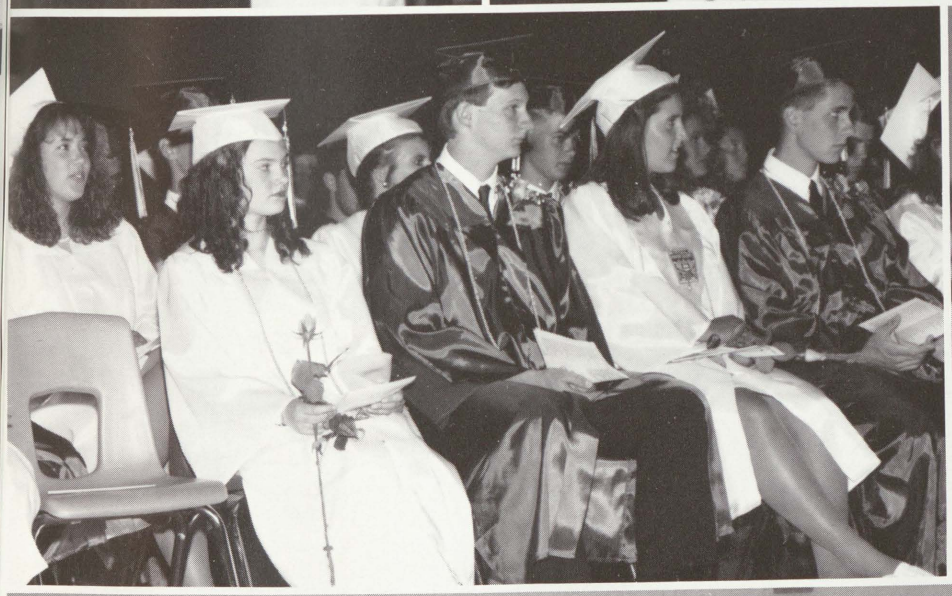
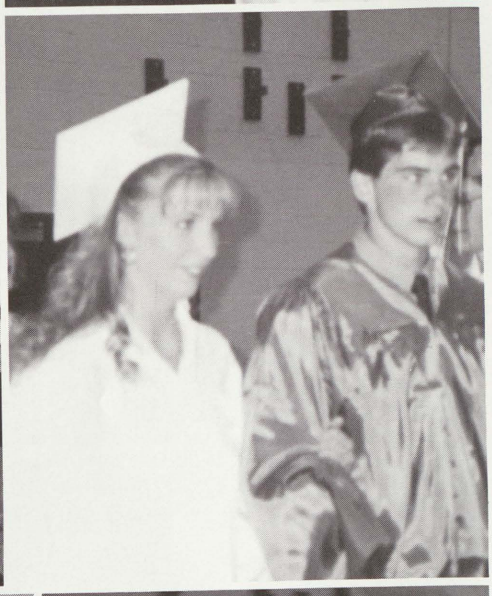
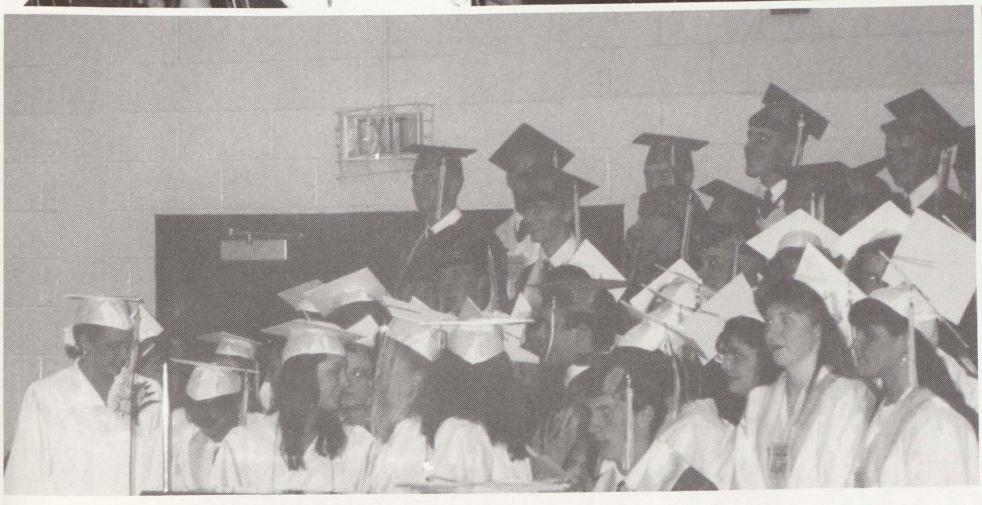
Time Of Reflection

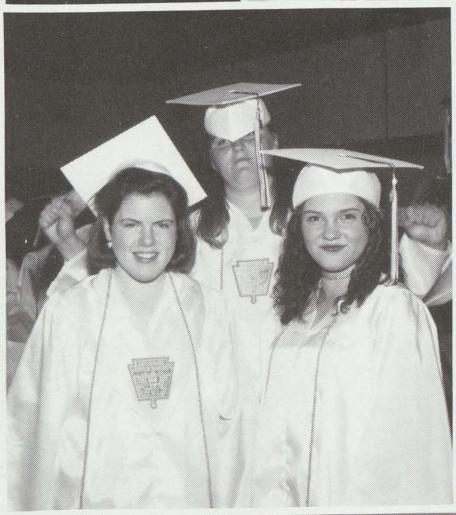


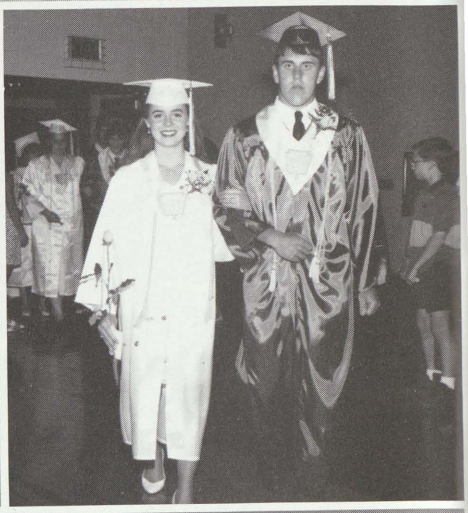


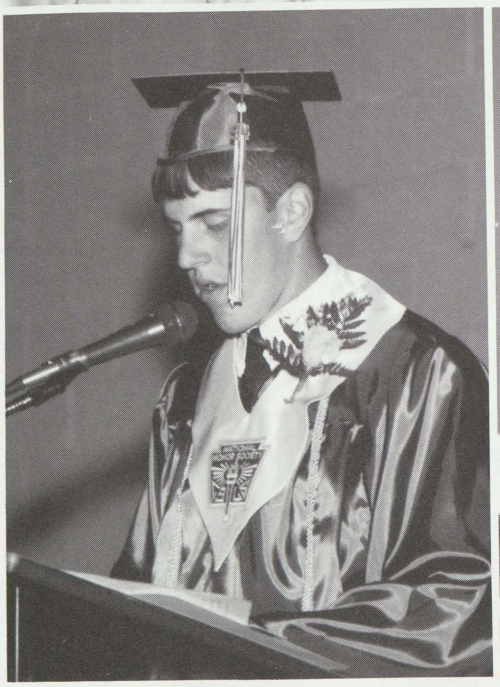


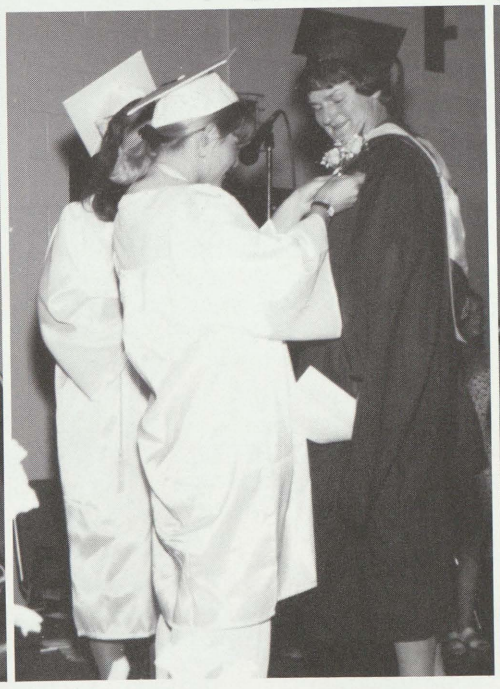




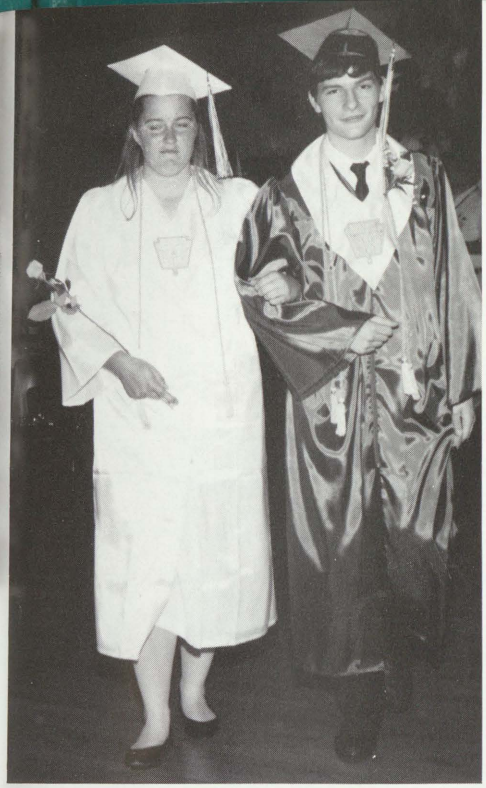


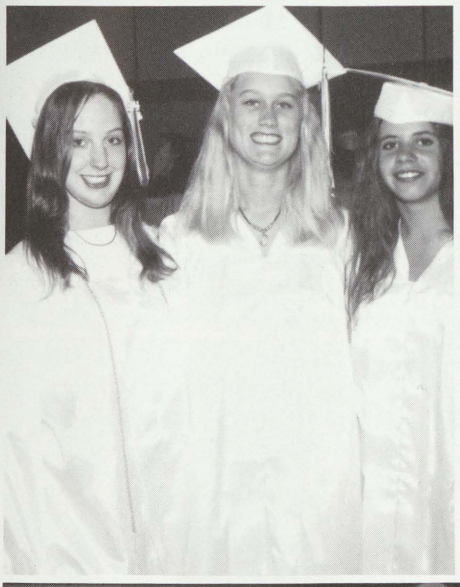


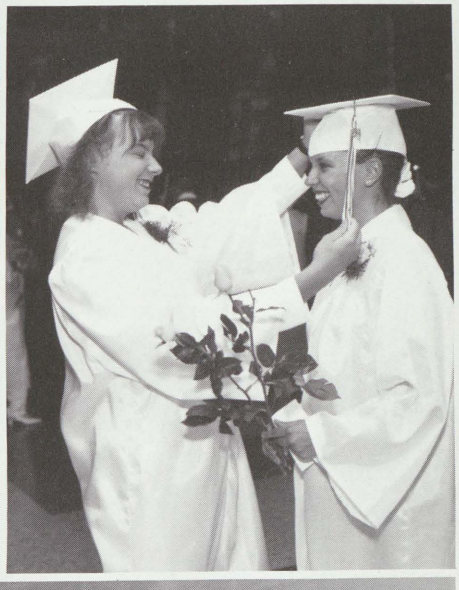


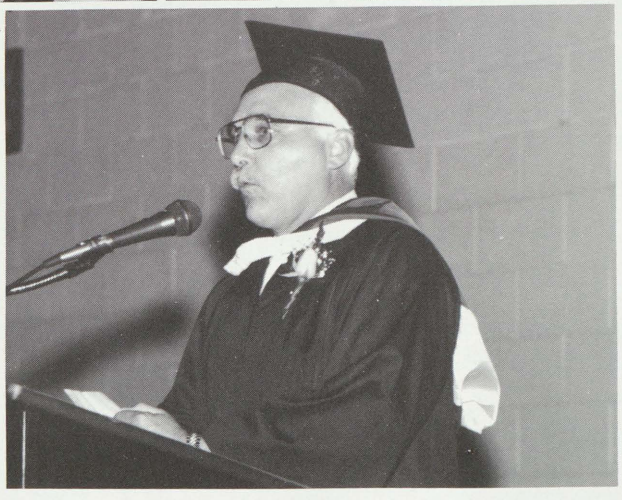


We Came As Strangers,









And Leave As Friends.

Sara,

Seems like a long time to you — seems like yesterday to us. Have a great future. You deserve all the best!

Love,
Mom and Dad

Melissa,

It would bring me more joy than I can say if you would not forget, not even for a single day, how wonderful you are in my eyes and my heart. In my imagination I compare you with things like sunshine in my mornings, the happiness I feel on the best days of all. You're like the answer to a special prayer. And I think God knew that my world needed someone exactly like you.

Love,
Mom

Congratulations Joey. We're so proud of you!!

Love,
Mom, Jenny, and Jeff

Ann,

You have given us a great deal of excitement and added much to our enjoyment of life. We wish you a healthy and happy life.

With love,
Mom, Dad, & Lisa

Anne,

You are our miracle. You grew from a beautiful baby to a wonderful young woman and best of all to "my friend".

Love,
Mom, Dad, Chris and Dan

Aaron,

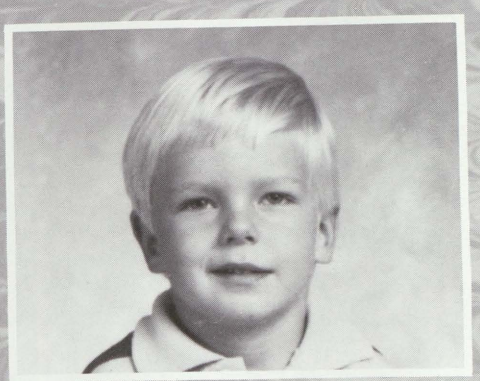
We have watched you grow up from a beautiful little girl to a beautiful young lady. We are proud of you. May you always have the best.

Love,
Mom and Dad

Dear Kevin,

To our favorite quarterback!!! May your runs be long, your passes be caught and goals achieved.

Love,
Mom and Dad



Dear Corey,

Your high school years have been full of challenge and adversity. You have always had my love and in these last couple years you have earned my total respect. You and Chad make me very, very proud.

Love,
Mom

Lindsay,

Your smile has brightened our lives. Thanks for being such a special daughter and sister. We wish you continued success and happiness and hope all your dreams come true.

Love you!
Mom, Dad and Scott

Jennifer,

You have always been a special ray of sunshine in our lives. We are very proud you are our daughter.

Love,
Mom and Dad

Deanna,

You were such a little sweetheart then and you still are. I am very proud of the person you are and most thankful that you were born to me. Your future is bright and smiling because you are bright and smiling.

Love,
Mom

Mark,

We are all proud of you. FHS's loss is WMU's gain. Good Luck!

Love,
Your Family

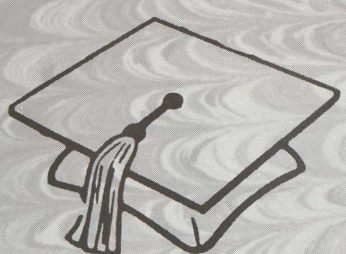
Chad,

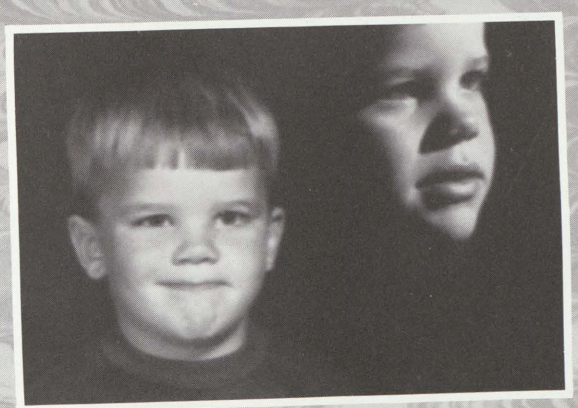
You have always been very special to me. I guess because you are a lot like your Grandpa, that's why I love you so much. You have made me very proud! Go get that college degree, because you deserve the very best out of life, since you were short changed when you were younger.

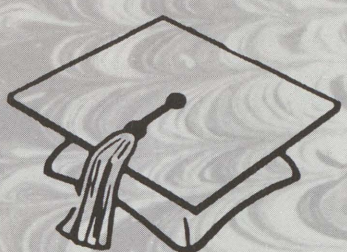
I Love You,
Mom

Way To Go Porkchop!!

Jim,







You have always been a real joy to us. You're a great kid and we know you can achieve what ever you put your mind to. Work hard, be honest, and let the Lord guide your steps.

We love you,
Dad, Mom, Jeff, Tammy,
Jay, Jason, Jenny, and Jeff Jr.

My year here in the U.S. and in Freeland has been great, better than I could ever imagine.

I have learned many new things and this experience has made me do a lot of growing up.

I want to thank everyone; friends, teachers, and especially my host family. You have all been terrific! I can't believe how fast this year has gone by, I wish I could stay longer.

No one said goodbyes were easy, but I know that we will all meet again someday, somewhere

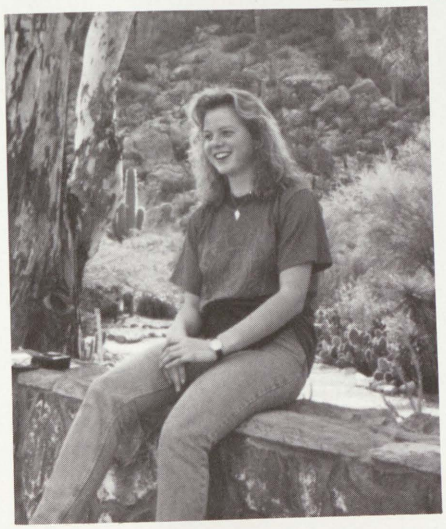
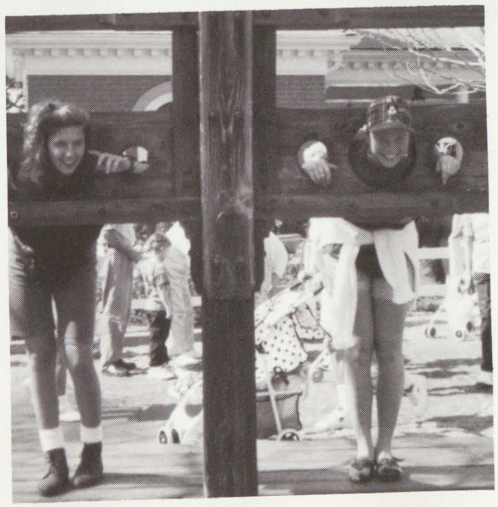
Exchange Students





This year as an exchange student in the U.S.A., has really turned out to be a great one. I've experienced and learned things I'm sure I'd never be able to back home. It has been interesting to see how different everything is, but also how much like a lot of things are, too. By the way, what's up with those basketball nets in ever yard?

Anyway, I have a lot of people to thank. Thank you Freeland Jr/Sr High School, for letting me attend your school and thank you to all the students who have been both friendly and helpful.

Most of all, I want to thank my two great host-families, the Davies and the Petteys for letting me stay with them and for always being there for me. I'll take bunches of good memories back thanks to you.

Take care everybody,

— Heidi Gilje

To My American Family & Friends:

I had a great year in the United States, and at Freeland High School. I would like to thank a lot of people for making this a great experience for me. First of all, Thank you to my host family. They always treated me very well, and did an awful lot for me and took me everywhere I wanted to go. I enjoyed all the traveling they did with me and all the things they did for me. Thank You to all my friends on the Track Team and especially Mr. T. I think he is a brilliant coach and I appreciate everything he taught me. I had a lot of fun on the team and at the meets. A special Thanks to my best friend Jon Cox, and a lot of other students that helped make this year a great one for me. Also, Thanks to all the nice teachers I had. I learned a great deal from them and appreciate all that was done for me. I will miss everyone here and I will never ever forget about any of you. I will try to return to Freeland sometime in the future, possibly for a class reunion.

THANKS TO ALL
